Subject: Hearing for Motion in VirtaMove v. Google, 5:25-cv-00860

CAUTION - EXTERNAL:

To the Honorable Court:

VirtaMove intends to file a motion for administrative relief in *VirtaMove Corp. v. Google LLC*, No. 5:25-cv-00860 and is writing to confirm the hearing date to be noticed, if needed.

This case presents the unique issue of what this Court should do in response to a docket error transferring this case from the Western District of Texas to the Northern District of California. To allow the Court to understand the issues, a near-final version of VirtaMove's motion and proposed orders are attached.

VirtaMove inquires:

1. May VirtaMove file this as a Rule 7-11 Administrative Motion for which no hearing is required?
2. If this may be filed as an administrative motion and a hearing is required, is March 19 open for a hearing?
3. If this should be noticed as a regular (non-administrative) motion, is April 16 available for a hearing?

Counsel for both parties are copied on this email.
